POST-INCIDENT REPORT INVOLVING FATALITY

DATE: September 12, 2004
LOCATION: Blisswood Castle, West Wing, Castle Wall Adjacent to Rose Garden
TIME: 6:43 PM
CASE ID: LD-09-2004

RE: Elimination of a Security Risk

SUBJECT:

Name: Lila Draven
Age: 12
Status: Daughter of the Draven Family, Blisswood Heights
Residence: 17 Fairy Tale Avenue
School: Blisswood Academy, Class 6B

INCIDENT:

The subject witnessed the authorized execution of Measure 4b ("Project Happy Ending"), involving the forcible removal of a dysfunctional resident from Blisswood by Kraken personnel. The subject observed the use of physical force and conducted-energy devices. Upon discovery, the subject exhibited extreme emotional distress and attempted to flee the scene, presumably with the intention of alerting others.

IMMEDIATE ACTION TAKEN:

Due to the immediate threat posed to the operation, elimination was carried out in accordance with Protocol 17a. The subject's exposed position on the castle wall was utilized to stage the incident as an accidental fall. Impact with the rocks below resulted in immediate fatality.

CONCEALMENT MEASURES:

- Discovery scene arranged accordingly
- Witnesses positioned to report observing "dangerous balancing behavior"
- Emergency medical personnel notified in advance
- Family informed immediately
- Official narrative: tragic accident while playing

CONFIRMATION:

The elimination was executed cleanly.
No evidence of third-party involvement was detectable.
The family accepted the accident narrative without further inquiry.

Agent Jonathan Parks
Head of Security Operations, West Division

POST-ACTION AUTHORIZATION:

The measures carried out are hereby confirmed as appropriate and necessary.

Dr. Elisa Dragona
Matron of the High Council of Tales
